

ATILLA BASARAN

Civil Engineer

Location: Ankara , Turkey

Email: alaaali3199@gmail.com | **Phone:** +90 534 289 52 90

Professional Summary:

- Detail-oriented and experienced Civil Engineer specializing in construction inspection and project control. I have successfully contributed to the completion of over 85 projects, ensuring compliance with architectural and structural standards. Skilled in utilizing Nivo and other surveying instruments for precise site measurements. Fluent in Turkish and Arabic, with a basic understanding of English. Strong educational background from Karabük University in Civil Engineering, complemented by various certifications in construction and e-commerce. I worked in the office and made the payments and went to the municipalities.
-
